

CLEANSE & PROTECT

Professional Anti-Viral & Anti-Bacterial Surface Disinfectant

CIA Rapid10 portable sanitising solution to help you get your team back to work safely.

WHAT IS CIA RAPID10

A portable sanitising solution that eliminates and protects against harmful microorganisms that surround us every day. It works to break the chain of infection that we're naturally exposed to. Simply spray the sanitiser in and around the environment / workspace prior to commencing activity for the ultimate protection and peace of mind.
