

PROVIDING PEACE OF MIND
Since 1982

WASPS ELITE PERFORMANCE AND INNOVATION CENTRE

Wasps Rugby Football Club is a professional rugby union team based in Coventry, England. They play in Premiership Rugby, England's top division of rugby.

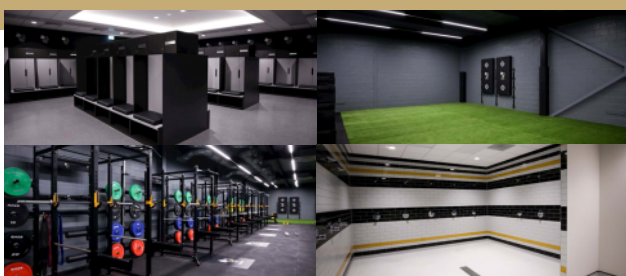

Founded in 1867 as Wasps Football Club, now a distinct amateur club, Wasps have won 12 major titles. They were European Champions twice, in 2004 and 2007; have won six English Championships including three in a row from 2003–05; and won three Anglo-Welsh Cups. They have also won the 2003 European Rugby Challenge Cup. Wasps most recent trophy is the 2008 Premiership.

In the 2020–21 season Wasps finished 8th, this entitled them to compete in the 2021-22 European Rugby Champions Cup. The current head coach is Lee Blackett who was appointed in February 2020.

The Wigley Group contracted CIA to design, supply and install a complete fire and security solution. Following in-depth consultation and design meetings to fully understand the diverse client requirements, our solution included intruder alarms, access control, and CCTV with a fully addressable fire alarm system.

"With the depth of knowledge, skill and expertise of CIA's surveyors and engineers, the service we've received, coupled with the practical solutions they've provided, I can't not be impressed. CIA have been an pleasure to work with and I look forward to further developing our relationship as we continue to adapt to a world of progressing technology."

Charlie Brooks (Director - Wigley Group)

PROJECT SUMMARY

BUILDING TYPE

Training & Performance Facility

TIMELINE

Project completed over 6 months

REQUIREMENTS

Supply and installation of new intruder alarm, access control and CCTV system

TECHNOLOGY

- PTZ Cameras - for player training analytics
- Fixed Turret & Bullet Cameras - for 360° surveillance
- Intruder Alarm System
- Biometric Intercom System integrated with Paxton Access Control
