

**PROVIDING PEACE OF MIND**  
Since 1982

# JOB DESCRIPTION

## Security Project Engineer

SALARY UP TO £35,000 D.O.E. | FULL TIME | PERMANENT  
40 HOURS OVER 4 DAYS BASIC | OVERTIME AVAILABLE

### ABOUT US

CIA Fire & Security Ltd is a leading security business based in Cirencester, Gloucestershire.

Our systems can be seen all over the United Kingdom and parts of Europe. We pride ourselves on installing and maintaining bespoke security and fire protection solutions utilising the latest proven technology.

Since 1982, CIA has evolved from a one-man operation into a successful company with over 80 members of staff. We have developed a strong reputation for providing a fantastic level of service, reliability and uncompromising expertise. This reputation has been earned by recommendations from satisfied customers, local authorities and business providers.

CIA has been successful in delivering a wide range of amenities to clients, supported by a reliable and dedicated 24-hour service team. In extending the operational areas, customer service has been maintained, with particular focus paid to fulfilling client requirements and expectations.

CIA is proud to be BAFE SP203-1 approved and NSI Gold accredited for both security and fire alarm systems. CIA is certified by ISO 9001:2015, which highlights our commitment to excellence. We are on the approved register of installers for over 35 different constabularies within the UK and Ireland.

We are looking for enthusiastic, problem solving engineers to join our team. Full training would be given to the successful candidate.

### ROLE OVERVIEW

Working with our software partners, our engineers have designed a modular access control system to allow the public to pay and play at facilities across the country. Supported by the senior team in the office, the right candidate will be on the ground installing the systems.

### MAIN DUTIES

- Installation and maintenance of access control systems
- Basic metalwork
- On-site problem solving
- Travelling to facilities across the country each week
- Delivering excellent customer service
- Overcoming practical challenges

### KEY REQUIREMENTS

- Electrical / mechanical experience
- Basic metalwork skills
- Happy to stay away from home on a regular basis
- Ability to work independently
- Ability to problem solve and think logically
- Happy to work in all weathers
- No unspent criminal convictions
- Clean driving license

### ABOUT YOU

- Technically minded
- Well organised
- Physically fit

### BENEFITS

- Competitive salary based on experience
- Auto-enrolment pension
- Company vehicle & phone provided
- Overtime opportunities
